SUBJECT: Assignments of Reserve Personnel

1. Transmitted herewith is correspondence between this Agency and the Department of Air Force and Navy requesting that:

2. The attached material is only that portion of the overall exchange of correspondence which it is believed is necessary to provide a full background of the overall problem.

3. While the problem is not applicable to Coast Guard personnel at this time as there are no Coast Guard reservists employed by CIA, it is believed desirable to establish the policy with your department to provide for future cases which may arise.
